TO: MEDIA STATEMENT FOR IMMEDIATE RELEASE
FROM: AZAPO Secretary for Legal and Constitutional Affairs
DATE: January 05, 2022
SUBJECT: RELEASE OF THE ZONDO COMMISSION REPORT TO THE PUBLIC

AZAPO welcomes the release of the first part of the Zondo Commission report on the state of capture to the public. This will go a long way in restoring the public confidence in the process. AZAPO believes it will further assist the public to make informed choices.

AZAPO will study the report and formulate an opinion on several issues raised therein.

AZAPO also welcomes the commitment made by State President Ramaphosa that he will engage with the process in the most transparent manner and shall await receipt of all three parts of the report before the formulation of an action plan and presenting that to parliament.

AZAPO has not forgotten the sincere commitment that President Ramaphosa gave the nation that there shall be no enforced vaccination against COVID-19 and that no one shall be discriminated for refusing to vaccinate. Despite President Ramaphosa's sincere commitment to the nation, of late he has been singing a different tune. AZAPO shall therefore be watching the President with a hawk's eye to ensure proper and "concomitant" actions are taken against those found to have breached the Constitution and transgressed the law.

AZAPO shall also engage the public to ensure that the public is well informed in demanding good governance and an end to corruption. Black people, and the poor, are the ones who suffer the most due to corruption. An end to corruption coupled with good governance will change the quality of lives of the poor for the better.

Ends.
