SUBJECT: HISTORIC MEETING OF THE PRESIDENTS OF AZAPO & PAC

AZAPO has great pleasure in announcing the meeting between AZAPO President Nelvis Qekema and the President of the PAC Mzwanele Nyhotso. This historic meeting is significant for the BCPA block in that the two Presidents will revive a relationship that goes back many years. The Kadoma Agreement and the Patriotic Front come to mind when mention is made of such a significant meeting of the two Presidents. AZAPO hopes this exploratory one-on-one meeting will act as a catalyst for bigger possibilities. The two Presidents will try to find each other and set the foundation for a meeting of a bigger delegation. Black/African people need to hear this news. They need hope and this noble act of the two Presidents meeting provides such hope. Let the spirit of Biko and Sobukwe guide them towards finding solutions for One Azania, One Nation.

The two Presidents will meet around **4pm on Wednesday December 15, 2021** at an **undisclosed venue**.
